아는사람 이야기

Ep. 41. Did You Like Me?

A week has passed since Jung-Sang-oppa left the hospital.

No one plows the snow on the bridge, so...
It just piled up like this.

My butt hurts...
:(
This is why I have to look at the ground only...
My bleach. It's a relief that it's fine. I don't think I can use the plastic bag anymore...

Ah...
So white...
Was this place always like this ?
I'm gonna take a picture

I'm back-
I bought the bleach!
Good job-
Huh?
What's wrong with your clothes?
pat

Ah-
I slipped while crossing the bridge...
Wow... Are you okay...?
Yeah...
I think it'll bruise, though

Anyways...
I have so much more luggage than I thought. Such a drag..
Sigh...
Throw away things that need to be thrown away before you go-
Throw that away-
And that-
You're not going to use that either, right?
N-No..
Everything has a memory to it.
I should throw away the cat furniture...
Yeah.
I got in trouble for bringing it into the hospital.
It's best to get rid of things that belonged to an animal with a contagious disease. You should disinfect your whole house with bleach, too
This...I want to give it to a pet owner.

I thought I knew everything about cats for sure, but
Researching cats

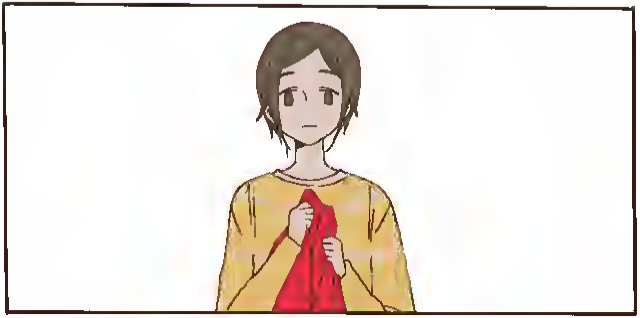
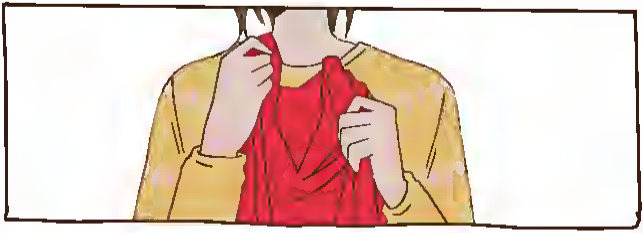
embarrassingly There were tons of things I didn't know
Nya Nya
Or ..
Maybe I knew it, but I just thought it wouldn't happen to me, so I
erased it from my mind and pretended like I didn't know

Here's the bleach water
Scrub hard!
Thanks!

Oh!
This...!
Huh?
The dress!
The dress that I bought for you-
The dress that you never wore!
Urgh...
You've done packing, so why would you look through the closet again?
Just in case I forgot something~
You didn't-!!
Now finish cleaning!!!
wear it for me!
wear it for me!
What are you saying now? Hurry up and go.

Ah...I really should start going now...
Yaah. I'll send you all of your boxes tomorrow.
Well then... Stay healthy.
Yeah...Be careful on your way out.
close...





Will I

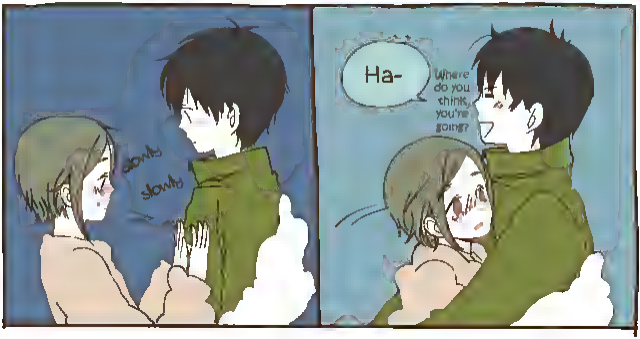
To think that it ended just by closing the front door...
Haha...
Really- This is too much...
He may as well have just laughed at me.
This feels like a normal outing...

Will I be able to forget you so easily?

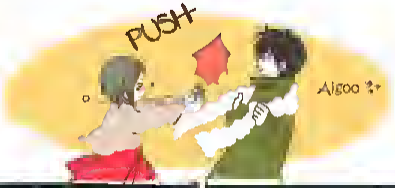
Oppa!

Huh??

Have you calmed down a bit?
no!



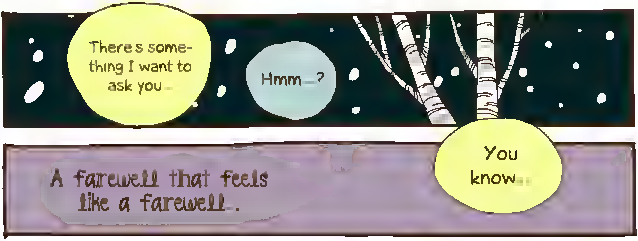
slowly
slowly
Ha-
Where do you think, you're going?



PUSH
Aigoo

Ah- It's the dress
Did you run here to show me that?

It's...hard for me to break up like this, when it feels like you'll open the front door and waltz back in at any moment...



Did you
like me?

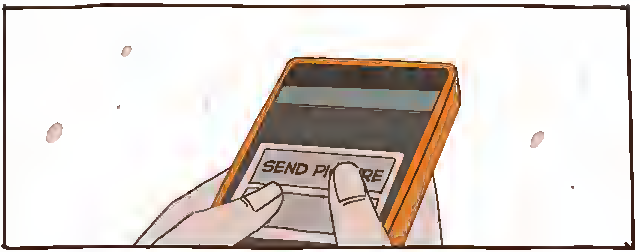
We broke up at the end of the answer to that question.
Although the road back home was slippery.
I did not look at the ground like I usually did while walking

There were many things that I thought about.

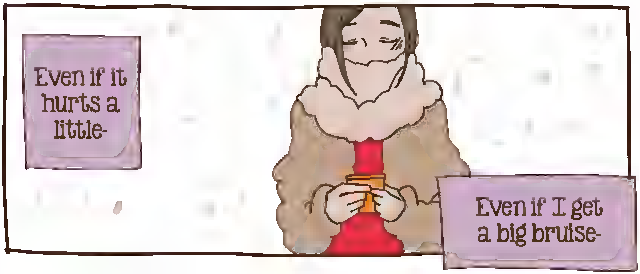
I might fall.

I might regret leaving with my head down.

I might not be able to forget.



But I still thought it would be okay.



Just like I discovered that pure white scenery,

today,

as I wait for the comfort of a wordless song,

as I straighten up my back, nice and tall,

I proudly walk forward, step by step.
